# LOGLINE

Two private detectives investigate a cheating husband and end up in the middle of a huge crime involving the illegal sale of AI next-generation modules.

# SYNOPSIS

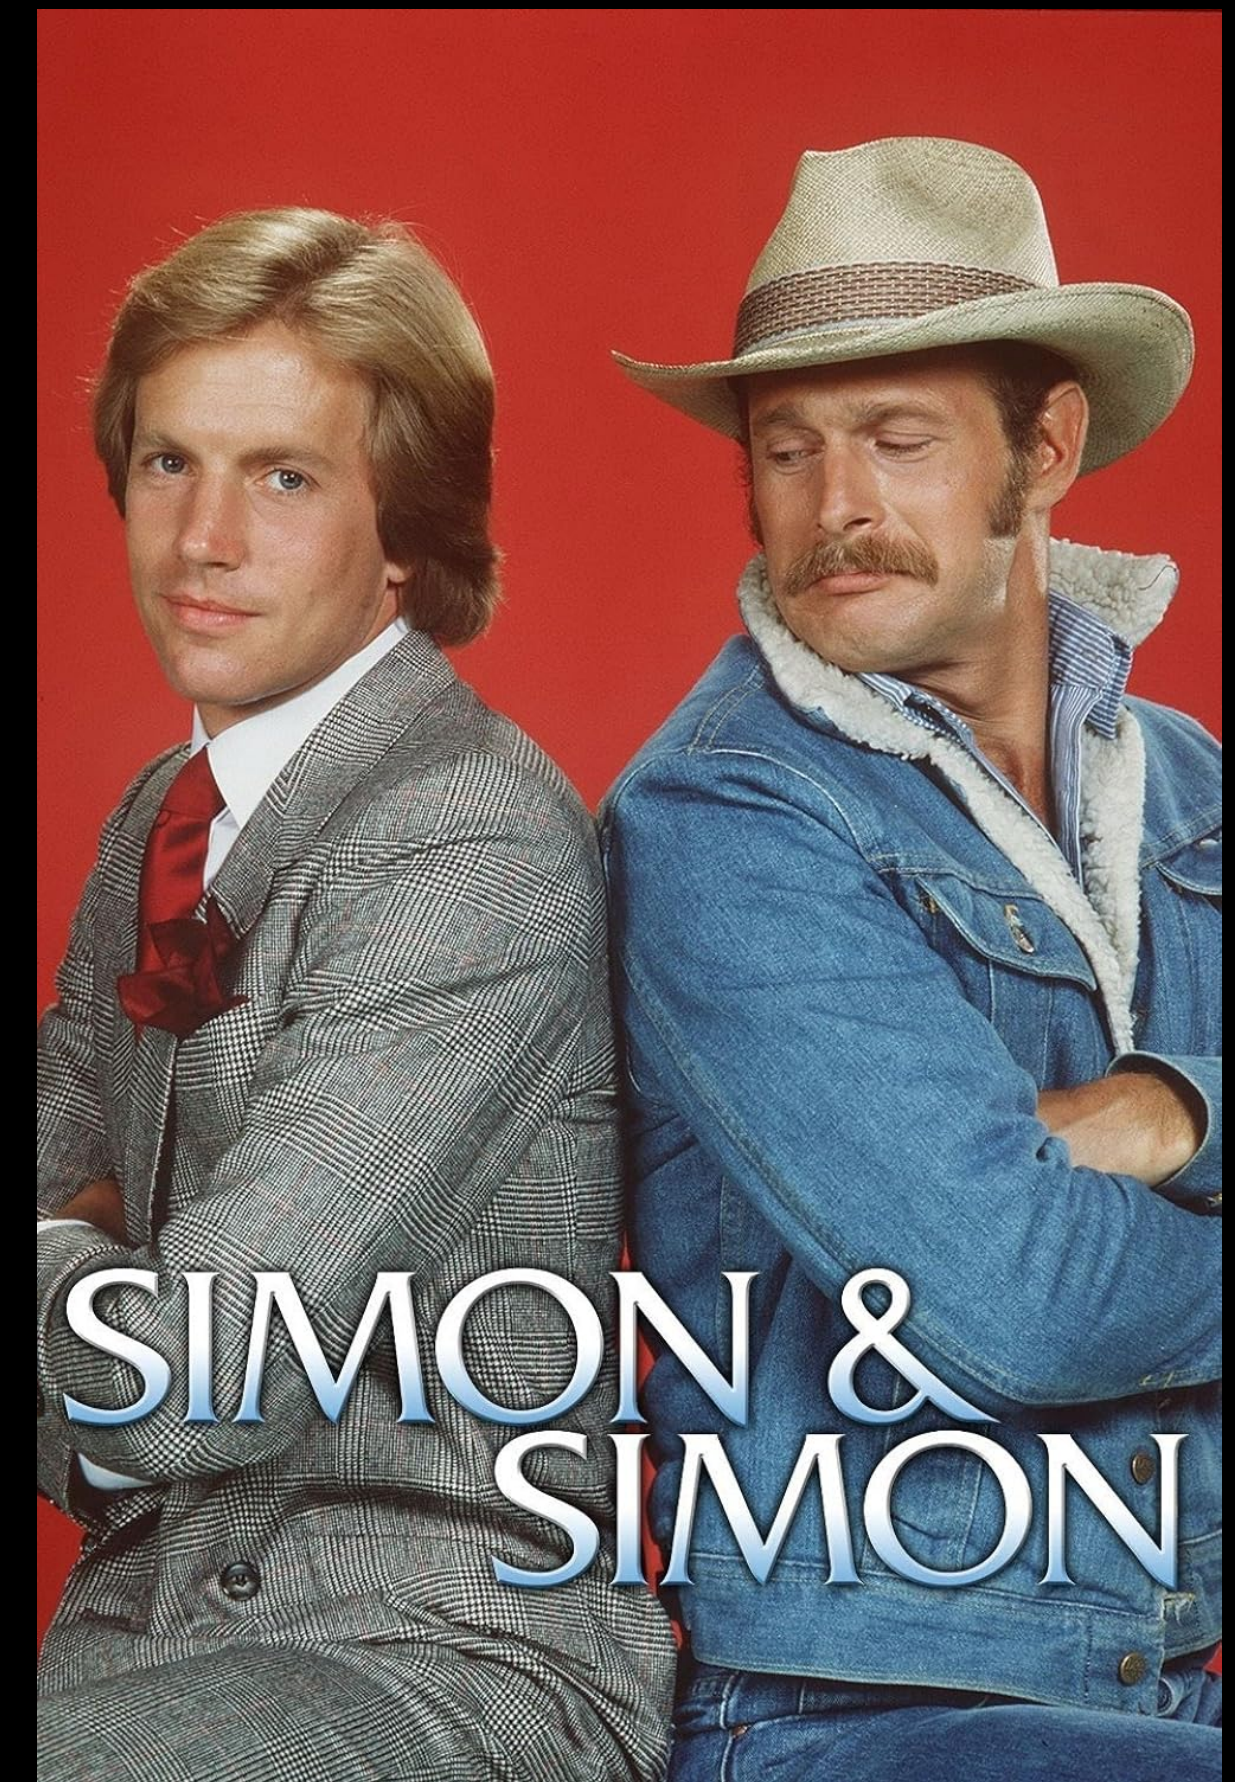

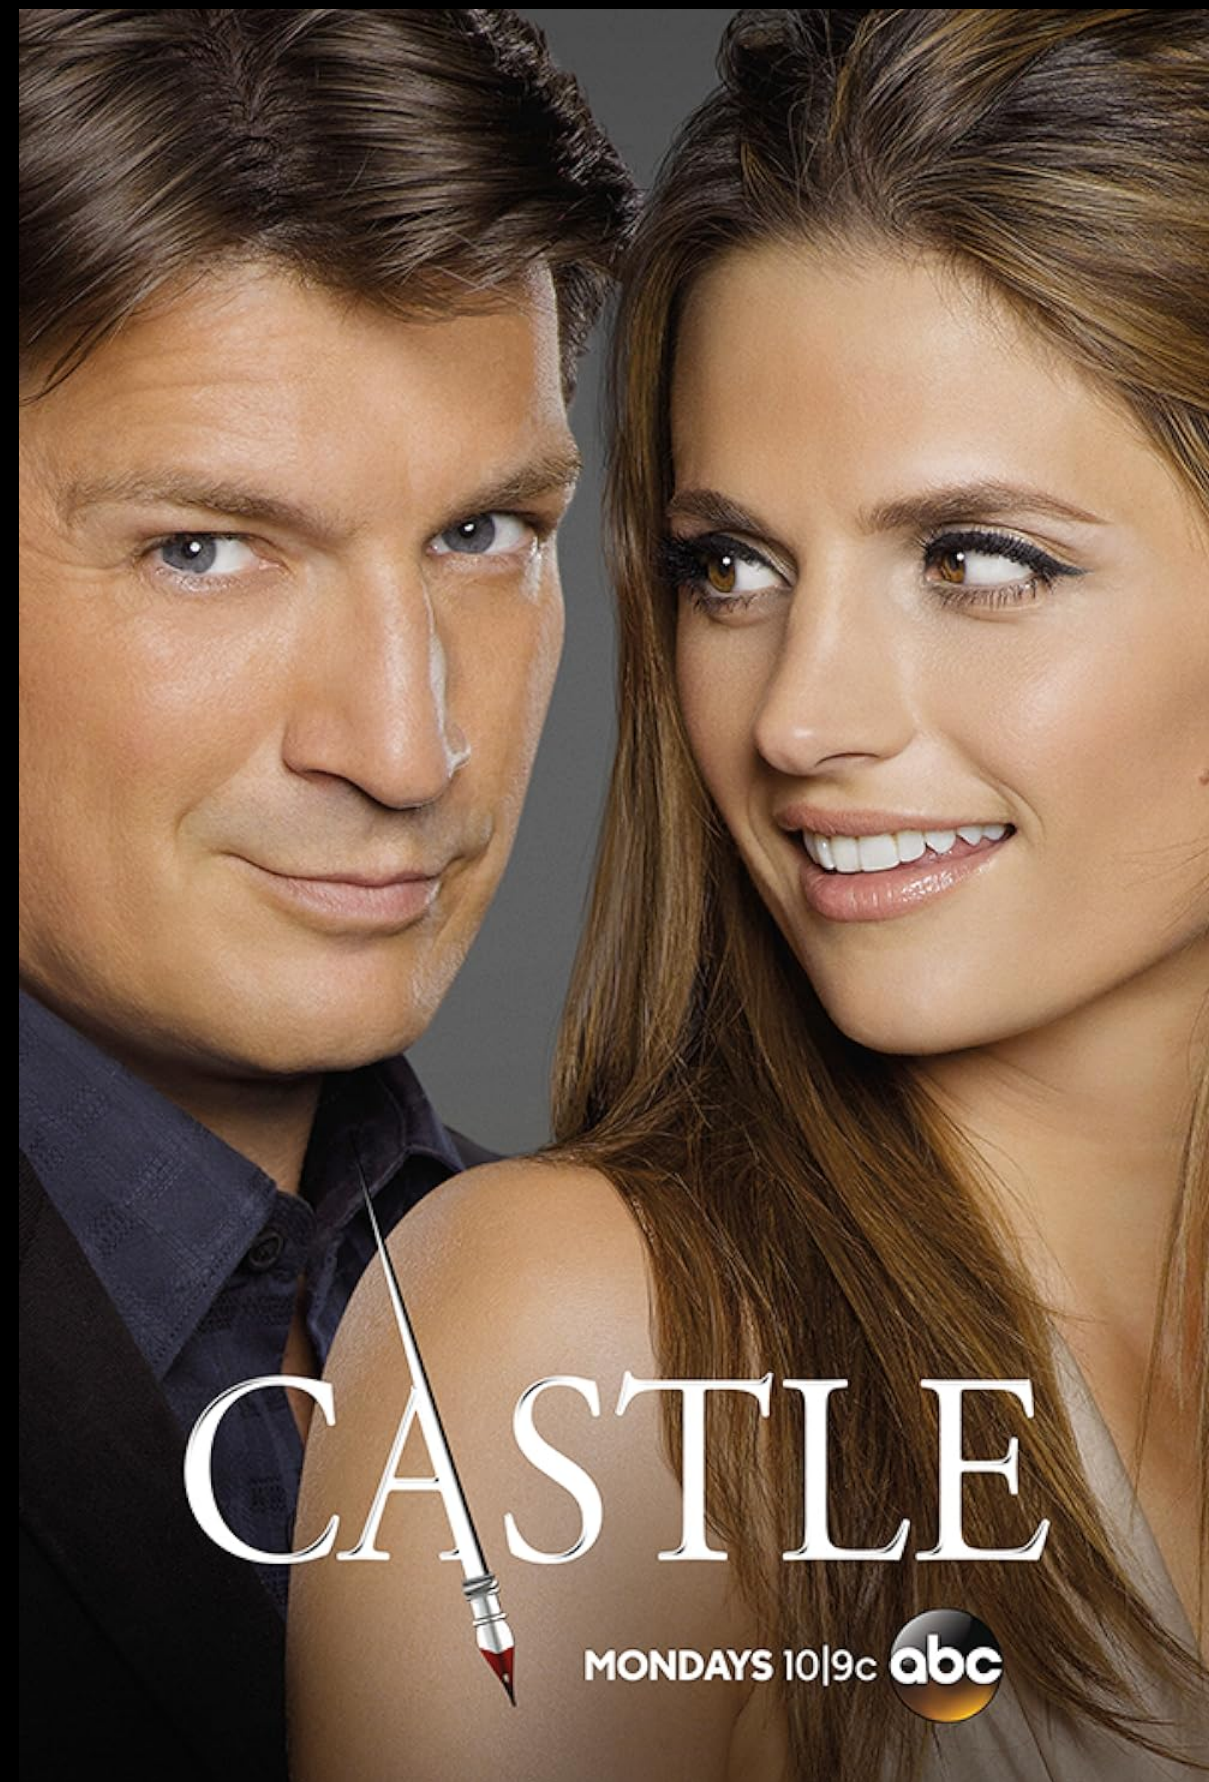

In a San Diego pub, Dez and his wife and partner, Poppy, keep their eyes on Ben Jones and his mistress Stephanie. They are P.I.'s, hired by Ben's wife. Dez and Poppy chase after Ben as he drives off, but then Ben is followed by another car, driven by Bill Aster. Meanwhile, the Handler talks to Bill as he drives, and Bill reports that Ben has a suitcase with this next generation AI, this AI module is what the Handler is truly after.

Missy, the computer whiz, introduces Dez and Poppy to Detective Mariano who will help with the case. He identifies Bill as an ex-cop. After following Ben around and uncovering new characters, Dez and Poppy meet with Chief Jamall to uncover new secrets about the case. After a scheme to kidnap Ben's daughter, it is revealed who the mastermind was this whole time...
